

TRANSPORTATION TO VISUAL IMPACT BRISBANE 2014

Parking

The Brisbane Convention and Exhibition Centre provides undercover parking for 1500 vehicles, with direct lift access to the Centre's convention and exhibition facilities.

For faster exit of the car parks and for the convenience of patrons, the Centre has installed a new automated parking system which allows you to enter and exit the car park using your credit card. The fast pay initiative works by inserting your credit card on entry, then again on exit through the automated exit lanes. This makes exiting the car parks an easier, faster process.

Entry heights are as follows: Car Park one: 2.3 metres, Car Park two: 2.2 metres, Car Park three: 2 metres

Maximum daily rate \$25 (subject to change)
